

Liberty Day started with Kathy and Andy in the Denver Lions Club almost a decade ago. It is a national organization honoring James Madison that prints millions of America's founding documents with the help of Denver's Herschfield Press and distributes them free of charge all across America. Kathy and Andy worked without pay, donating thousands of hours and resources to the project in the hopes that Americans will understand the basic freedoms we enjoy today. The Lions International, Rotary, Kiwanis, and Optimist clubs have all embraced the project, enabling their work to have worldwide distribution.

Mr. Speaker, Kathy Griswold McKean was a dedicated patriot that selflessly served her community and country, and I am honored to pay tribute to such a diligent community servant and preservationist of American history. Her contributions to our country will not be forgotten. My thoughts and prayers go out to her family during this time of bereavement.

REMEMBERING AND RECOGNIZING  
MRS. BONNIE L. GENTRY

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Mr. HALL. Mr. Speaker, today I am honored to pay tribute to Bonnie L. Gentry, a dedicated educator and sister of Buck Crowley, my long-time friend and assistant in the district. Bonnie passed away on February 2, 2002, and in March of this year, the Mesquite Independent School District recognized her by naming its 30th elementary campus in her honor.

Born in Fate, TX, to R.L. and Mattie Crowell, Bonnie received her teaching certificate at the age of 14. For the next 54 years, she served as both teacher and principal for the Rockwall and Mesquite Independent School Districts. In 1959, she became Mesquite's first female principal when she was appointed to the position at Ben F. Tisinger Elementary. She held the position until her retirement in 1974.

In addition to her teaching career, Bonnie also served in such organizations as the Texas Retired Teachers Association, the Order of the Eastern Star, the Daughters of the American Revolution, and Delta Kappa Gamma.

She is survived by her brothers Herman Crowell, R.S. "Bob" Crowell, and M.L. "Buck" Crowell; sisters Christine Davison and Leona Strain; and numerous nieces and nephews.

Bonnie will long be remembered as a devoted and caring educator who touched the lives of many. On behalf of her family, friends, students, and the Mesquite Independent School District, I would like to take this opportunity in the House of Representatives to pay my last respects to Mrs. Bonnie L. Gentry.

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Mr. KANJORSKI. Mr. Speaker, I rise today to pay tribute to Frank Mattei as he is named Person of the Year by the Italian American Association of Luzerne County. It is an honor to join the members of this organization in paying tribute to his numerous achievements as he is honored at a dinner this Sunday.

A member of the Italian American Association for 10 years, Frank is also active in Rotary Club. As a member of the Rotary Club, Frank spent a great deal of time with the Rotary Exchange Students Program. Many students from many nations were greeted with the hospitality and warmth of the Mattei home.

Frank was born in Pergola, Italy, in 1932. He is the son of the late Marino and Celeste Mattei. He has been married to Anna Biscontinini for 46 years. Frank and Anna have two children, Maria and Frank Jr., and three grandchildren. Maria lives with her daughter, Violeta, in Plains. Frank Jr. and his wife Susan live in Malvern, PA, with their daughters Daniella and Julianna.

Frank came to America in 1947. He settled in the Hildale section of Plains and graduated from Plains Memorial High School in 1952.

Frank served his country for 2 years in the U.S. Army, and 18 of the 24 months were served in the United States forces in Austria, USFA. After that, he spent many years in the retail shoe business as the owner of Penn-Lee Footwear for 22 years.

Mr. Speaker, it is a privilege and honor to represent a man who has served his country and who has been a leader in his community. I ask that my colleagues pay tribute to Frank Mattei as he receives this well deserved honor.

IN RECOGNITION OF THE TEMPLE  
CITY UNIFIED SCHOOL DISTRICT'S  
50TH ANNIVERSARY  
CELEBRATION

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Mr. SCHIFF. Mr. Speaker, I rise today to congratulate the Temple City Unified School District for 50 years of outstanding service to the community.

The Temple City Unified School District was established as a unified school district on July 1, 1954. At the time, the district had grades kindergarten through 11th. Elementary classes were held at Cloverly, Emperor, and Longden. Oak Avenue School, formerly part of Pasadena Unified School District, was a junior high school, and in 1954 it became Temple City High School. At the time, a total of 789 students were enrolled in grades 8 through 11. The first 12th grade class of 138 students graduated from the Oak Avenue campus in 1956. The first graduation from the new cam-

pus was in 1957. During that first year, the Temple City High School Associated Student Body established the green and gold colors and the "Ram" as the school mascot.

The Temple City Unified School District is located in the West San Gabriel Valley. The population of the district's service area is approximately 35,000. The service area includes within its boundaries most of the incorporated city of Temple City, as well as small portions of San Gabriel, Arcadia, and unincorporated areas of Los Angeles County. Currently, the district maintains one comprehensive high school, TCHS, one alternative high school, Community Learning Center, one intermediate school, Oak Avenue, four elementary schools, Cloverly, Emperor, La Rosa, and Longden, and one adult school, Temple City Adult School.

A list of outstanding superintendents have served TCUSD. The first, Howard Beckner, retired in 1961. He was succeeded by Dr. Jack Rand and then Allen Rice. Superintendents Wesley Bosson and Clint Taylor followed. In 1999, Joan Hillard became the District's sixth Superintendent. It is clear that TCUSD has a history rich with spirit and values of progress, dedication, unity, and pride.

I ask all Members of Congress to join me today in congratulating the Temple City Unified School District for 50 years of outstanding educational service to the community, and for its immense commitment to the success of its students.

IN RECOGNITION OF HISPANIC  
HERITAGE MONTH

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Ms. LEE. Mr. Speaker, I rise in recognition of Hispanic Heritage Month.

In 2004, the influence of Latinos in the United States is evident now more than ever. This community has continued to be a strong thread in the fabric of our nation. Influential Latinos can be found contributing in many fields; they are doctors and lawyers, teachers and professors, police officers and fire fighters, scientists and engineers, mayors and of course, Members of Congress.

As we celebrate Hispanic Heritage Month, I want to highlight their service to our Congress. The first Latino members of this chamber were non-voting delegates, one from the Territory of Florida, Joseph Marion Hernandez in 1822, and the other Jose Manuel Gallegos from the Territory of New Mexico in 1853. The first voting member was Romualdo Pacheco, from the great state of California, elected in 1877. Since then, many Latino Members of Congress, in both chambers, have served our nation. These members hail from a diverse group of states and territories, including Arizona, Louisiana, Texas, Illinois, New York, Guam and Puerto Rico, to name a few. They have made significant contributions, like Senator Dennis Sanchez, from the state of New Mexico, who was the first to push for any kind of Civil Rights legislation in Congress. Most notable is the formation of the Congressional Hispanic Caucus in 1976, founded by five Members of Congress, Reps. Edward Roybal (D-CA), Henry Gonzalez (D-TX), Herman
